

Get 20% off your vehicle registration

Victorian vehicle owners can now apply for 20% off their vehicle registration.

Applications open on 1 June and close on 31 July 2026.

The rebate applies to eligible vehicle registrations for the 2025–2026 financial year.

You can apply using the Service Victoria app or website.

Before you apply you will need:

- your vehicle registration number
- your Victorian driver licence number or VicRoads customer number
- your full name
- your bank account details (BSB and account number)

Payment will be made into your bank account.

STEP 1

Create a Service Victoria account

You must have a Service Victoria account before you can apply for the 20% off.

You can create an account on:

- the Service Victoria website
- the Service Victoria app on your phone

To create an account:

1. Go to service.vic.gov.au/account
2. Enter your email address, given name(s) and family name
3. Follow the steps to enter the security code sent to your email
4. Create a 6-digit password to protect your account
5. Log in with your email and password

Have these details ready:

- your registration number
- your Victorian driver licence number or VicRoads customer number
- your bank details

STEP 2

Apply for 20% off your rego

After you create your account:

1. Open the Service Victoria app and tap '20% off your rego', or visit service.vic.gov.au/rego-rebate
2. Tap 'Get started'
3. Check if you can apply by selecting your vehicle type and entering your registration number
4. Enter your full name and Victorian driver licence number or VicRoads customer number.
5. Enter your bank details. The rebate will be paid into this account
6. Review your details and tap 'Submit'

You will receive an email confirming we have received your application.

If you have not yet paid your vehicle registration for 2025–26, your application will be reviewed after VicRoads processes your registration payment.

Who can apply?

You can apply for up to 2 eligible vehicles registered in your name.

Eligible vehicles include:

cars

wagons

motorcycles

utes

light vans

Vehicles registered to businesses or organisations are not eligible.

Important information

You must pay your vehicle registration through VicRoads before applying for the 20% off your rego through Service Victoria.

If you pay your registration in instalments, you can still apply for the 20% off, even if your final instalment payment is due after July 2026.

You cannot get the 20% off your registration renewal if for the new financial year starting after 1 July 2026.

How long will it take to receive the 20% off payment?

Payments will be made by direct bank transfer.

Most payments will be processed within 30 days.

If you paid your registration recently, your application may take longer than 30 days while your information is being updated.

Please be patient.
